LIQUORS, CIGARS.

Come to the Fair.

"Hurrah! for the Fair," the old farmer shouts,
As Dobbin is driven up close to the door,
And pumpkins, etc., are piled in the cart,
All gathered with care from the old farmers store.

Then come to the Fair—let us see what you have,
We've a welcome for all, maid, matron and sire,
Bring your horses and daughters, your oxen and sons,
Our motto is "Forward, and forward means higher.

And when to our city, the pride of the West,
And viewing the sights and not one so rare,
You will want a Cigar to give zest to your taste,
And lend to the interest you feel in the Fair.

It needs but a trial to point out the place,
Our Cigars are selected with excellent care;
Then remember our store with its "native" in front,
And glance at our card when you visit the Fair.

A RARE CHANCE TO PURCHASE PROPERTY IN A RAPIDLY GROWING CITY IN *SOUTHERN WISCONSIN!*
Three Hundred Lots at Auction, IN THE CITY OF JANESVILLE, ROCK COUNTY, WIS.
WILL be offered at public sale on the 23d day of October next THREE HUNDRED CHOICE LOTS, situated around and all within 200 rods of the Union Depot of the Milwaukee & Mississippi, Chicago, St. Paul and Fond du Lac and Southern Wisconsin Railroad Companies being among the choicest property within the limits of the city.
Next to Milwaukee Janesville ranks as the most flourishing and healthy town in Wisconsin. Without any excitement in speculation to hasten or force on its progress, from the beauty and healthfulness of the situation, its extensive water power, (the Rock River affording two powers within the city,) and the fact that it draws the trade of a large district as rich in agricultural resources as any in the Great West, the town has had a steady, and at the same time a rapid growth. The number of inhabitants now exceeds 9,000, and visitors cannot fail to be impressed with the evidences of business and enterprise pressed on every hand.
By the completion of the Chicago road, the place is brought within two hours' travel of the Great Emporium of the Northwest, and this connection is destined to make rapid advances in the growth of Janesville and the prosperity of the country round about. The Southern Wisconsin road leads in from the west, and will be in operation next summer as far as Monroe, the county seat of Green county, thirty miles distant. In the course of the next two years, this will be the centre of five railroads, and even now it is the great produce market of southern Wisconsin.
The Rock River Valley is the garden of the Northwest, unsurpassed in its natural resources, and everywhere presenting beautiful landscapes of prairie and Oak openings.
The attention of all who wish to avail themselves of an opportunity to make profitable investments, or to purchase a site for a home, is solicited. Abstracts of title, and particular information can be had from the undersigned. Terms of sale—One-fourth cash, and the remainder in equal instalments at one, two and three years—interest seven per cent, and security on the property. NIEL & GRAY. Janesville, Sept. 22, 1856. sep26-d479-d1m

WARD MEETINGS TO-NIGHT!

Republicans to Your Posts!

The Republican Electors of the First, Second and Third Assembly Districts in our city are requested to meet *this* evening, to nominate candidates for the Assembly and make their final arrangements for the great contest of Tuesday next. It is the business of every good soldier, on the eve of battle, to be at his post, arms in hand and ready for the conflict. Let every true Republican, therefore, in these several Assembly Districts; every man who is opposed to Slavery Extension and its Democratic champions and in favor of FREE SOIL, FREE LABOR and FREMONT, come to the meetings *to night*, and take counsel together. In these Wards, the 1st, 2nd, 3rd and 7th, the Buchaniers count on their heaviest majorities, relying upon the fact that because the Republicans are numerically the weaker party, they will not make a strong fight there. But every vote gained in these districts counts on the general result, and *it is* in the power of the Republicans of the 1st, 2nd, 3rd and 7th Wards to *reduce* the usual democratic majorities and to *keep out illegal votes*. We urge our Republican friends, therefore, in these Wards, *to turn out in mass* to the meetings to-night; nominate capable and unexceptionable men for the Assembly; appoint Challengers and Vigilance Committees, and take whatever other precaution may be necessary to ensure *two indispensable things* on Tuesday next, to wit:—*that every Republican vote be cast, and that all illegal voting be prevented.*

REMEMBER! The meetings are called for this evening at 7 o'clock, and at the following places:

First and Seventh Wards—Court House.

Second Ward—Mansion House.

Third Ward—House of M. Louis, Huron St.

REPUBLICANS! ONE AND ALL. COME TO THE WARD MEETINGS!

GET YOUR TICKETS READY!

It is too often the case that the necessary business of procuring a full supply of BALLOTS for election, is put off till the last moment; and then, in the crowd and confusion of orders, there is always the danger of misprints and the certainty of delay. To guard against this, let the Committees of the different wards and districts, *as soon as their nominations are complete*, order their ballots *at once*. If no committee has yet been appointed for this purpose, let it be done forthwith. And let those who order the tickets scrutinize them *closely* before they give them out, to the end that all errors may be corrected before the ballots go into the boxes. GET YOUR TICKETS READY AND SEE THAT THEY ARE RIGHT!

Things to be Done Beside Voting.

See that you have in your district.

1st. Accurate poll lists.

2d. Thorough Committee men.

3d. Sub-Committee men, having supervision of a limited neighborhood, embracing ten or twenty voters.

4th. Wagons to convey persons in feeble health or voters living at a distance, to the polls.

5th. Five or ten wide-awake ticket distributors at each poll.

6th. A general "rush" for delinquents after 12 o'clock on election day.

Inspectors of Election.

In this city, by the provisions of our charter, the ALDERMEN of the several Wards are Inspectors of elections. With possibly one or two exceptions, these Aldermen are all of one political faith. It is but right and just, however, that the *minority*, as well as the majority, should be represented in the Canvassing Boards. There are two ways in which this can be effected: either by appointing one Republican *Clerk* for each poll; or, in case of the absence of one of the Aldermen, by filling the vacancy with a Republican Inspector. This *ought* to be done, and we hope, for the sake of *fair play*, will be done.

TO THE REPUBLICAN ELECTORS OF THE First Congressional District.

We are informed that reports are being industriously circulated in other parts of the District, that the full strength of the party in Milwaukee will not be cast for the Republican Candidate for Congress at the coming election, but that his opponent will be allowed to sweep the County without real opposition. We therefore wish to say to our friends throughout the District, that such reports are wholly untrue. Although Mr. HADLEY is pressing his claim for the vote of Milwaukee on the ground of his recent action in the Legislature on the Rail Road Land Grant, the citizens of Milwaukee are now well satisfied that, in that matter, JUDGE POTTER did his whole duty as a Representative of the State, and that Mr. HADLEY did nothing more than his duty. Some of us know, personally, that but for the stand taken by Judge POTTER, and his efforts and his influence in the Legislature, the measure which was finally adopted, as best securing the interests of the whole State, *could not have passed.*

But we regard the issue in this election as far paramount to any and all railroad or other local questions. We believe that *next Tuesday* decides whether or not Slavery extension shall be the policy of our National Government, whether outrage, misrule and Slavery shall continue in Kansas, or liberty and peace be established there. We look upon JOHN F. POTTER as the chosen and fit Candidate of the party of freedom in this contest, while JACKSON HADLEY is the candidate of the party of Slavery.

Although we do not expect to be able to give Mr. POTTER a majority of the votes of this city, so long the strong-hold of the so-called democracy, still we do confidently expect so far to reduce the majority against him here, that the strong support which we are sure he will get in the other Counties of the District, will secure his triumphant success.

We assure you that Milwaukee will poll a handsome vote for Judge POTTER, and we earnestly call on every lover of Freedom in the District to vote and labor for the success of a man whom we can safely trust to represent, *truly and boldly*, in Congress, the real sentiments of the People of the First Congressional District in Wisconsin.

Working Men be true to Yourselves!

There is no class of citizens in our Republic who have so direct and practical an interest in the result of next Tuesday's election, as the MECHANICS and WORKINGMEN. The issue then to be decided, is in brief, the issue between FREE and SLAVE LABOR. Every addition to the Slave soil of the Republic is a blow at FREE LABOR. Every SLAVE employed in mechanical and industrial pursuits displaces a FREEMAN. The extension of Slavery, the re-opening of the Slave Trade and the new-fangled doctrine, that CAPITAL ought to *own* LABOR, rather than hire it, are now openly advocated by Democratic orators and organs. The rights, the interests and the dignity of FREE LABOR are all imperilled by the success of these measures. And yet it is only by the votes of the Working Classes, of the FREE LABORERS of this Republic, that these measures, or the party which advocates them, can succeed. Can it be possible that the MECHANICS and WORKINGMEN of the U. S. will prove false to their own interests, or aid in their own degradation? Will they not, on the contrary, stand up for their rights and strike a good blow on Tuesday next for FREE LABOR, FREE SOIL and FREMONT?

Look out for Illegal Votes!

EDITORS SENTINEL:—Information has come to my knowledge, rendering it certain that an attempt will be made by the so called Democrats, to cast a large number of Illegal Votes in the 2d and 6th Wards of the city; and unless some more perfect system of *guarding* the ballot box is adopted, than at present seems probable, we shall have to submit to an illegal vote of several hundred. Many extensive bets have been made on the result in those wards, and double voting and ballot-box stuffing may be looked for, unless the friends of Fremont and Dayton and John F. Potter are on the alert. Cannot a plan be perfected to record the names of persons who offer their votes not known to the challengers who will be pretty well acquainted with the residents of the 2d ward? The same game will doubtless be attempted in other wards, and means should be taken to arrest and punish all attempts at illegal voting.

2D WARD.

MEETING AT THE CAMP TO-NIGHT.

The Fourth Ward FREMONT Club meet *to-night* at the Rocky Mountain Camp and will be glad to see their friends and fellow-laborers from other Wards there.

TO OUR MERCHANTS AND BUSINESS MEN.

The merchants and business men of our city rarely take an active part in our elections.—Whether from distaste for the work, or disgust with the tricks of the trade, or a disinclination to leave business for politics, even for a few hours, it is seldom indeed that this influential class of our citizens do more than go to the polls and give in their ballots. And yet, when some question comes up, or some occasion arises which prompts them to interfere *actively* in the elections, their influence for good is powerfully felt. THE MERCHANTS AND BUSINESS MEN of our city, can, if they choose, make a difference of FIVE HUNDRED VOTES in the election of next Tuesday; and this too, by fair, honest and legitimate means. *Will they make the necessary effort?* We do not doubt that they will all vote, but they can do a great deal more. They can close their stores and leave their customary pursuits, for a few hours on election day, and *devote themselves to the business of politics*. They can make themselves most useful in getting up the voters, distributing tickets at the polls, and helping to guard the ballot boxes against fraud or violence. There is not one among their number who cannot influence more or less votes for the right, and if each one of them will determine to secure ONE VOTE besides his own, for FREEDOM and FREMONT, and to give a few hours on Election Day, to the service of his country, it will tell powerfully in the result.

What the issues of the pending canvass are; what the interests involved; what the great stake to be played for, they already know full well. If ours be not a cause which commends itself to every honest man's judgment, and challenges the support of every patriot and philanthropist, we know not where, or when, such a cause can be found. The Republican party, with JOHN C. FREMONT as their champion and candidate, stand committed before the country and the world, to oppose the aggressions and extension of Slavery. The Democratic party, under the lead of JAMES BUCHANAN, are pledged to *acquiesce* in, if not to aid and abet, Slavery extension. This is the paramount question, the *real living issue* of the campaign. On which side shall our Merchants Business men, and property holders, range themselves? Are they for Fremont and Freedom, or for Buchanan and Slavery? Will they enlist under the glorious stars and stripes, the flag of the Free, or will they take service under the black, piratical flag of the Ostend Fillibusters? And being, *as they are*, for humanity, for justice, for Free Soil and Free Labor, and for the Constitution and the Union, as designed and framed by the Patriots and Heroes of the Revolution, will they not, at this important crisis of our affairs, on this eventful day for our country, in this decisive struggle between the contending influences of FREEDOM and SLAVERY, give, not their votes only, but their voice, their time, their influence and their utmost exertions, to the good cause of Liberty, Union and Right?

NOMINATIONS.—In Fond du Lac Co., in the Eden district, WM. STEWART is the Republican nominee for Assembly.

B. S. HENNING has been nominated by the Democrats of the Oshkosh district for Assembly.

In Jefferson Co., South district, A. H. VAN NORSTRAND is the democratic candidate for the Senate; KENDALL P. CLARK is nominated by the same party for Assembly in the Milford district.

For Assembly:

PAUL D. HAYWARD is the Republican candidate in Marquette Co., West district.

GEORGE HAWLEY is nominated by the people of Mt. Morris in Waushara Co.

P. V. SANG, by the democrats in the 1st district of Fond du Lac Co.

N. H. JOY is an independent candidate in the Racine city district.

Grand Trunk Railway Celebration.

We acknowledge the receipt of cards of invitation to the celebration of the opening of the Grand Trunk Railway to Montreal, which is to take place on the 13th and 14th of November.—The people of Montreal and the Railroad Managers have made the most liberal arrangements for a great gathering on that occasion, and we understand that quite a party of our citizens will be present. The greatest expectations are entertained of future commercial relations between the upper lake country and Canada, and the St. Lawrence river is destined to be the outlet for a large portion of our breadstuffs, and inlet for imported goods; and we shall take pleasure in cultivating an acquaintance with our Canadian brethren on all occasions.

Mr. Greulich on Extra Allowances.

FALSE.—We are informed by a gentleman who knows the facts, (we have not examined the records ourselves) that the charges against Mr. Greulich, in yesterday morning's *Sentinel* are false.—*News* of yesterday.

The *News*, instead of relying upon its anonymous informant, should have "examined the records" itself. It would then have discovered that what the *Sentinel* stated, in regard to Mr. GREULICH, was perfectly true. We quote from the official report as published in the Milwaukee Daily *News* of October 16:

The following is the number of days of attendance of each member of the committee, and the amount paid to the several members of said committee, as near as they can be ascertained, viz:

	Days.	*Am't paid.*	*Date*
David Taylor	20	$387 50	Sept. 2
D Worthington	—	—	—
P H Smith	13	387 50	do.
H H Gray	1	387 50	do.
Wm Hull	135	775 00	do.
☞ *A Greulich*	22	362 50	Aug. 13 ☜
C Burchard	18	365 50	do.
J F Potter	140	350 00	do.
Total amount,		$3,012,00	

Mr. GREULICH, it will be seen, was paid, as we stated, THREE HUNDRED AND SIXTY-TWO dollars for *twenty-two day's* work; or, at the rate of SIXTEEN DOLLARS AND A HALF PER DAY! And the *News*—convenient party hack—has not a syllable to say against this extortionate charge, tho' ready enough to denounce Mr. BURCHARD, a Republican Member of the Committee, for taking more pay than he earned.

The Business Men of Milwaukee on the Congressional Ticket.

We publish with great pleasure this morning, the address signed by a large portion of our merchants and business men generally, in relation to their position as regards Mr. HADLEY, the Democratic, and Mr. POTTER, the Republican candidate for Congress in this District. A steady effort to make capital out of the impression that the people of Milwaukee intended to vote for Mr. HADLEY, as a *local* candidate, having been put forth, and being persisted in, it has been thought proper to set all such notions at rest at once, and this address does the business thoroughly.

We think that no one who will take pains to read that address, and the names of those who subscribe to it, will have any apprehension of any defection on the part of the Republicans of Milwaukee from a cordial support of their candidate, JOHN F. POTTER; and we may add that if, as we trust they all will, and *know* that many will, the signers to the address will lend the powerful aid of their presence and personal efforts at the polls throughout the day on Tuesday next, the result cannot but be gratifying to all who love the good cause in which we are engaged. Many, we learn, have determined to close their places of business, and give the day to FREEDOM, and work for FREMONT & DAYTON, POTTER and the Republican ticket. With such a spirit, we must succeed.

A DIRTY BLACKGUARD.—If there is one man connected with the press who deserves to be cut off from all association with decent people, that person is the editor of the Beaver Dam *Sentinel*. His paper has reeked with the foulest calumnies upon Col. Fremont for the last three months, but he out-Herods them all in his issue of yesterday by the most infamous charges possible in relation to Col. Fremont not only, but to his family.—Words cannot fitly characterize such baseness.

Elections of 1854 and 1855.

We have prepared below a table giving the vote of this State in 1854 on Congressmen, and 1855 on Governor, in order that our readers may be able to make comparisons with the vote of Tuesday next when announced. Those who are interested in calculations on the result can cut out and preserve the table for reference. Of course the vote on Governor is the *official* vote, as declared by the State Canvassers, and differs from the real vote in several counties—Waupacca, Chippewa, Buffalo, Dunn, and others, where *supplements* were manufactured to order:

* The figures under "T" are those cast for Tarner, (ind. dem.) for Congress, making his total 1,924.

The above figures would seem to indicate that Mr. Billinghurst's chances for Congress are the most doubtful of all, but the correction of the Waupacca frauds alone would make 800 in his favor. His friends must work the harder for him, and he deserves their best efforts.

FREMONT AGAINST SLAVERY EXTENSION!

Nothing can be more distinct or decided than the stand taken by Colonel FREMONT in regard to the Slavery question. It contrasts grandly with the equivocal position of his competitors, and should never be lost from view. Remember the following letter addressed to the Committee inviting him to be present at the great Kansas meeting in the Tabernacle in April last, two months before his nomination. It has been published before, but deserves to be revived:

NEW YORK, April 29, 1856.

GENTLEMEN:—I have to thank you for the honor of an invitation to a meeting this evening at the Broadway Tabernacle, and regret that other engagements have interfered to prevent my being present.

I heartily concur in all movements which have for their object to "repair the mischiefs arising from the violation of good faith, in the repeal of the Missouri Compromise." I am opposed to Slavery in the abstract, and upon principle sustained and made habitual by long settled conviction. *While I feel inflexible in the belief that it ought not to be interfered with where it exists under the shield of State Sovereignty, I am as inflexibly opposed to its extension on this continent beyond its present limits.*

I am, very respectfully, yours,
J. C. FREMONT.

ARRIVAL OF THE ASIA.

BAD WEATHER IN ENGLAND.

Breadstuffs Steady.

RUMORED DIFFICULTIES WITH NAPLES.

New York, Oct. 31.

The steamer *Asia* arrived here at 9 o'clock this A. M. with Liverpool dates to the 18th. Her news, politically unimportant. The Washington arrived at Southampton on the 18th.

The London money market was stringent.—Consols closed at 95¾. The following is from Messrs. Maxwell & Co.'s circular: "A change of wind has brought up large supplies of wheat, flour and corn from America. The weather has been stormy and wet, and we have grievous complaints from the north, of damage done to crops. There has been less animation in our trade during the week. At to-day's market there was a small attendance of dealers and a slow sale was expected for wheat at about 2d. per bu. under the extreme prices of last week. New Am. red sold at 9s4da9s 6d; white 10s3da10s8d; red 8s 6ds9s4d, and white 8s10a10s, according to quality. Flour, of fine quality, was held for an advance of 1sa1s6d per bbl., which checked the sale Ohio ranged from 38sto40s, Western Canal 31s6da33s6d, Baltimore and Philadelphia 31s a35s6d, Canadian 38sa80s. Indian corn was in active request, at an advance of 1s per qr.; prime mixed brings 33s9da34s, yellow 34s6da35s 6d per 480 pounds." Richardson, Spence & Co. say: "At to-day's market there was little business done in wheat, and although we do not alter our quotations then made, a reduction of 2d per bu. was accepted, to induce dealers to buy in quantities. A still further reduction will have to be accepted. Flour was also rather slow at last Tuesday's rates; Indian Corn in some speculative request; an advance of 6da1s per qr. has been estimated on the week. Beef is quite inactive, with a downward tendency in price.—Pork is also very dull, and a little lower. The stock of Bacon is small, and prices maintained in retail. Lard nominal, there being no demand to-day. A parcel offered at auction did not meet a buyer, although 15s would have been taken.

The Bank of England has adopted further restrictive measures, and refuses altogether to make advances on government securities, except exchequer bills. The country remains in a state of suspense as to money matters, but the only agitation yet is in the stock exchange. Commercial wants can be supplied, although at extreme rates.

Detailed accounts of change in the Spanish ministry are not yet at hand, further than an official announcement that there is no political crisis, and that the change from O'Donnell to Narvaez is the sole one.

LATER.—Rumors only that both the French and English fleets have orders to approach Naples; that suspicions are awakened at Vienna; that Russia and France are negotiating a secret allegiance. Free trade is postponed in France till July 1st, 1861.

London, consols closed 91½ for money, 91½a 91¾ for accounts Breadstuffs steady.

A despatch says in consequence of a pressing note from France, the Austrian evacuation of Principalities had commenced.

The Queen of Spain has revoked the constitution of 1845, and re-established the ancient regime.

A despatch from Constantinople says Sefer Pasha has gained two important victories over Russians in Circassia.

Liverpool, Oct. 18—Noon.

Wheat and flour quiet. Corn selling at full rates. Provisions unchanged.

Among the passengers by the Asia is Sir Allen McNab and lady.

Look out for Them.

We understand that seventy Irishmen came down from Milwaukee on Wednesday. The game is to have them rush in their votes early in the morning, and then return to Milwaukee by the 10 o'clock train, and vote there in the afternoon.

We are pleased to learn that the Vigilance Committee have secured the names of all Irishmen who are entitled to vote, and will have men at the polls to detect any who attempt to vote when they are not entitled to. There should also be arrangements made for the immediate arrest of all voting illegally before they have time to escape or for concealment.—*Chi. Democrat.*

The Buchaniers are indeed growing desperate. Doubtless arrangements are also made to provide Milwaukee with a supply of voters of the same sort. Our opponents may as well save themselves the trouble, as they may get their labor for their pains, and some legal attentions to boot.

A VOICE FROM MISSOURI.

The Truth Ably and Eloquently Expressed!!

A Powerful Argument in favor of Freedom, by a Southern Supporter of Buchanan.

The St. Louis *Democrat*, of Saturday, contains an editorial, three columns in length, headed, "The ultimatum of the Pro-Slavery Propagandists" which is the clearest exposition of the policy of the Southern Democracy, and contains the strongest arguments in favor of Republican principles, that we have read for a long time; and proceeding, as this article does from a Southern man, and published in a paper with the names of Buchanan and Breckenridge flying at its masthead it is all the more important.

Having shown by various quotations from Southern papers, writers and speakers, that the Southern Democracy has determined upon Slavery extension or disunion, the *Democrat* says

Thus we see that the leaders and organs of a great conspiracy, threaten society with anarchy, if the people in the legitimate exercise of their legitimate rights, choose to elect to the office of chief magistrate, the man assumed to be their choice. It cannot be the threat is made in very wantonness. Some potential reason must have dictated such a terrible resolution. Can it be the character of the man himself? Is he one of those depraved and wicked monsters, of whom we read in history, steeped in every vice and stained with every crime? Is he of the race of those gigantic criminals whose shadows darken ages a Nero, a Tamerlane, or a Borgia? No such accusation is made. The allegations of his enemies, whether facts or fancies, represent him merely as the type of American Democracy, a self made man, who by force of mind and muscle, and courage true as steel, raised himself to national eminence in the noblest fields of enterprise, until he was seen afar, as if the Rocky Mountains, on which he first planted the stars and stripes, were the pedestal of his fame. We can not find the cause we seek in the character of Fremont, for even the caricatures of his biography, represent him in succession as a poor boy, a hard student, a bold wooer, a brave soldier, and a heroic explorer—a man who toiled from the beginning, achieving success at every step, until his reputation rose so high and shone so bright, as to attract the eye of the people, which dwelt upon it as on a new planet in the firmament.

Neither will his opinion on the slavery question give the solution; for he is merely opposed to the extension of Slavery into free Territory, and a majority of our Presidents were of the same opinion. Fillmore, Taylor, Van Buren and Jefferson were hostile to the introduction of slavery into new territories, and no one thought their election was any cause for the dissolution of the Union. We must try again, and as the met physician, failing to account for certain ideas in the mind by any theory which assumed an external cause, bethought him, of analysing the mind itself, where he discovered their origin, so we shall detect the source of the disunion phenomena, within the party itself, whose blasphemy, fury, and political and social abolitions, have been heard during the canvass like the shrieks of the maniac.

The disciples of Calhoun are original nullifiers, secessionists and disunionists; and necessarily fillibusters, pirates, and pro-slavery fanatics.—The burn to realize the southern republic, embracing the slave states of the Union, the islands in the Gulf, Mexico and Central America—the same empire which Aaron Burr projected This traitorous faction has officered and led the Democratic party since the time of Polk. It holds the reins and guides the chariot. Assuming the livery of Democracy, its leaders succeeded in getting themselves appointed postillions and guides, and hence instead of progressing smoothly along as usual, we find ourselves entering deeper glooms and approaching precipices, and if we murmur at the course pursued, we are threatened with instant destruction by the desperadoes who have us, or think they have us, in their power.

The Calhoun conspiracy commenced in the time of Jackson, when it was weak and hopeless. Now it is powerful, thanks to Pierce and stratagem the policy of weakness, has been superceded by audacity, the policy of strength. Both Polk and Pierce owed their election to its influence and they rewarded it by patronage; but its present greatness is mainly attributable to the latter, who placed the highest and most lucrative offices of the government in its hands. It regards every measure of the federal government, purely in relation to its own schemes. It tries everything in politics and legislation by one standard, not whether it is good or bad in itself, but whether it will retard or forward its darling enterprise. This morbid ambition of founding a southern republic consisting of two classes—masters and slaves—like Europe under the barons, with the cities left out, is the fruitful source of all our troubles. Slavery was put into the disunion programme more as a means than an end, because it was found that Slavery was the only interest with which the entire South was identified. The necessity of keeping the real design back, pushed slavery into the foreground, which has consequently become the overshadowing question of our politics. It should be remembered, that the making of this issue was an afterthought; and that the conspiracy first planted itself upon free trade, and subsequently changed its ground more than once before it finally settled down upon the nigger as the most politic expedient. The task to be accomplished was the overthrow of the Union, and after several trials the slavery question was found to be the only lever strong enough for the work; and the southern planters to make the nigger do that as well as everything else.

To use and abuse the Federal Government for the promotion of its schemes has been a leading feature in the policy of the conspiracy. When those schemes are ripe, or when the Government can be made no longer subservient to them, the Union must be dissolved. There is no further use for it. The New Orleans *Delta* believes that the hour has come; the Charleston *Mercury* thinks that the election of Buchanan should postpone the event for four years, to make the final even more certain; Gov. Wise says his election would merely ensure a brief period of peace and preparation. It seems to be admitted among themselves, that it would be better to wait, if Buchanan should be elected, in the hope that his administration would be instrumental in strenghtening their power and multiplying their resources; but as Fremont's administration would be against them, if he should be elected, the tocsin must be sounded.

This theory reconciles every contradiction and unlocks every mystery. It explains everything from Cuba to Kansas. It decreed a war with Mexico and annexed wide territories; it repealed the Missouri Compromise; it promises admission to Utah, because a triple slavery exists there negro slavery, peon slavery and the slavery of woman; it lusts for Cuba and the revival of the African slave trade; it prompted the piratical invasion of Sonora by Walker, and the subjugation of Nicaragua by the same individual, who, we perceive by late accounts, has decreed the introduction of slavery into that country, preparatory to its formal union with the Southern States; and in order that fillibusterism might become another cherished institution, it asked Congress for the repeal of the neutrality laws last winter; and now, apprehensive that its vile career may be checked, it rises in open rebellion, insinuating that the election of Fremont would be fatal to slavery in the South.

The daily record of the press bears testimony to the truth of these allegations.

* * * * * * *

"To make Territories now free, slave Territory, to extend slavery into Mexico, to annex Cuba, and re-open the African slave trade is the game To occupy the lands which nature designed for the poor of our own country, and immigrants from Europe with the negroes kidnapped from Africa, is the policy which is distinctly announced. We think it wiser and more human to leave the negro in Africa, and appropriate our territories to our white brethren in Europe and America.

"A Bar out There."

While the eight hundred Democrats of the Northwest were assembled on Saturday at Dearborn Park, two vessels which were making port were observed beating past the mouth of the harbor a mile or two southward before coming in. "Why," said Gen. Cass to a friend who sat near him on the platform, "do those vessels go away down there?" "Oh!" replied his Democratic friend, "there's a *bar* out there."

A number of our citizens heard the General's inquiry, but the "noise and *confusion*" were so great immediately after the answer was given that the comment made by the venerable supporter of the Cincinnati anti-harbor improvement platform upon this piece of geographical information was lost.—*Chicago Press.*

FIRE AT JANESVILLE.—About 12 o'clock last evening, a fire broke out in the building owned by J. Bodwell Doe, Esq., west Milwaukee street, the lower story of which was occupied by Messrs. Mosher & Pellet, as a Boot and Shoe Store, and the upper by Messrs. Puffer & Church, for the storing and finishing of Cabinet Ware. Our engine companies were speedily on the spot, and succeeded in extinguishing the flames, though not until the roof was entirely destroyed, and the whole inside of the building also. The building being of wood, the flames spread with rapidity, but thanks to the gallant and noble firemen—and no city boasts of better—the conflagration was stayed. The damages as near as can be ascertained are as follows:

Mosher & Pellet, Boots and Shoes; stock principally removed; loss $300 or $400. Insured.

Puffer & Church, Cabinet Ware; loss about $300. No insurance.

Davis & Barton, Dry Goods in the Parisian Fashion House; stock removed; damages about $1000. Insured.

Madame Andrews, Parisian Millinery; Goods removed; damages trifling.

J. Bodwell Doe, damages to building about $400. Insured.—*Standard.*

Never Fails in Dyspepsia.

SALEM, N. J., Feb. 24, 1855.

Dr. C. M. Jackson—Dear Sir—I take great pleasure in sending you these few lines, recommending to all afflicted with that terrible disease, *Dyspepsia*, the valuable properties of *Hoofland's German Bitters*. For a long time I was sorely afflicted with that disease, and in expectation of obtaining some relief, used a great many preparations highly recommended for that purpose, but all in vain.—Being advised to try the German Bitters, I reluctantly purchased a bottle. I felt so much relieved by the use of that, that I obtained more of it, and now, after taking five bottles, I feel and consider myself a healthier man than I have for the last ten years.

Yours, respectfully, ANDREW YOURSON.

Dalley's Magical Pain Extractor.

THE great and principal characteristics of DALLEY'S MAGICAL PAIN EXTRACTOR consist:

1st. Of its never-failing and unique property, as soon as applied to any external injury, TO CHECK INFLAMMATION instantly, and rapidly to reduce it. This feature constitutes its great power to alleviate the pain of burns and scalds, and of other painful diseases, in so incredibly short a space of time, and as will appear from the few testimonials hereunto annexed. Every intelligent mind is fully aware that, in all cases of external injury, the pain is produced by inflammation of the injured parts; and, therefore, if you remove the cause the effect must cease.

2d. Its purificative properties neutralize the poison that may lurk in the system, and will, when applied to the sores, draw rapidly all impure matter to the surface, and eject it—hence the great discharge it produces from sores occasioned by burns—and when applied to old, inveterate sores, Salt Rheum, or other cutaneous diseases.

Each box of GENUINE DALLEY'S PAIN EXTRACTOR has upon it a Steel Plate Engraved Label with the signature of C. V. CLICKENER & CO., proprietors, and HENRY DALLEY, manufacturer. All others are counterfeit.—Price 25 cents per box.

☞ All should be addressed to C. V. Clickener & Co., 81 Barclay street, New York.

Sold by all Druggists and Medicine Dealers throughout the United States. oct11d115d&w3m

Chills and Fever.

TO THOSE who are afflicted with this disagreeable and baffling malady, we would state, that after years of hitherto unavailing research, a medicine has been discovered which will, in every case, effect a certain and permanent cure of this dreaded disease. It is not a quack nostrum prepared to extract money from sufferers, for the proprietor offers to refund the money if a cure is not effected after following the directions. He is assured by the evidence of hundreds of cures which they have effected, that this medicine is in reality the remedy so long desired in the Western country. This valuable medicine is prepared in the form of a pill, from the bark of a shrub, which has proved to be a perfect antidote to Malaria. They are simple and plain in their nature, powerful and active in their operation, and perfectly harmless to the system, having no other than a specific effect upon the disease which is truly wonderful. Some persons have stated that these pills must contain arsenic, or some powerful mineral, owing to their quick effect in curing this disease. The proprietor would state that he will pay one thousand dollars to any chemist who will find one particle of mineral in this composition.

Certificates of cure from persons of the highest respectability can be obtained by calling at the Drug Store of HENRY FESS, Jr., No. 195 East Water street.

N. B. One great recommendation for these pills are, that they only require about five to effect a cure. Inquire for THAYER'S OMEGA PILL, for the immediate cure of chills and fever or intermittent fevers of every description. Prepared and sold wholesale and retail by FRED. W. THAYER, 697 Washington street, Boston.

Agent in Milwaukee,

HENRY FESS, Jr.,

Invalids

RECOVERING from the effects of Fever, Bilious Diseases, or long continued illness of any kind, will find Carter's Spanish Mixture the only remedy which will revive their drooping constitutions, expel all bad humors from the blood, excite the liver to a prompt and healthy action, and by its tonic properties, restore the patient to life and vigor.

We can only say TRY IT. A single bottle is worth all the so called Sarsaparillas in existence. It contains no Mercury, Opium, or any other noxious or poisonous drug, and can be given to the youngest infant without hesitation.

See the certificates of wonderful cures around the bottles. More than five hundred persons in the City of Richmond, Va., can testify to its good effects.

IS STILL IN FULL BLAST, WORKING DAY AND night to supply the daily increasing wants of the Badger and other States.
In order the better to do this, the proprietors have erected a large brick Foundry in addition to their former premises. They have added to their stock of Tools a large Planing, Shaping Machine [illegible] and a Machine for making bolts, and are now putting in a Steam Engine of [illegible] horse power to drive the whole, thereby adding to the former facilities for the successful carrying on of the Foundry, Machine, Engine and Pla[illegible] business. In regard to the character of the work got up by this
The Oldest Establishment in the State
the Proprietors refer to that in successful operation through the country as their best recommendation, as it can speak for itself. All they can say is, that they are both Practical Mechanics, and know how work should be done as well as the next man.
They continue to manufacture FLOUR and SAW MILL [illegible], and STEAM ENGINES, on the most approved principle,
They have always on hand a large stock of BRASS WORKS, such as GAUGE AND CYLINDER COCKS, OIL CUPS AND [illegible] STEAM WHISTLES. Also TURTON'S FILES, which they will sell at the lowest cash price.
They are also agents for [illegible] PATENT STEAM GAUGE, which is well worthy the attention of all those who use Steam Engines.
In conclusion, they invite a continued share of the patronage of their old friends and solicit a call from all those in want of Saw or Flour Mill Work, assuring them that no exertions will be spared to render the Old Eagle worthy of the reputation it has already gained.

CARTER'S SPANISH MIXTURE
THE GREAT PURIFIER OF THE BLOOD!
THE BEST ALTERATIVE KNOWN!
NOT A PARTICLE OF MERCURY IN IT!
An infallible remedy for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Boils, Ague and Fever, Chronic Sore Eyes, Ringworm or Tetter, Scald Head, Enlargement and pain of the Bones and Joints, Salt Rheum, Stubborn Ulcers, Syphilitic Disorders, and all diseases arising from an injudicious use of Mercury, Imprudence in Life, or Impurity of the Blood

This great alterative Medicine and Purifier of the Blood is now used by thousands of grateful patients from all parts of the United States, who testify daily to the remarkable cures performed by the greatest of all medicines, CARTER'S SPANISH MIXTURE. Neuralgia, Rheumatism, Scrofula, Eruptions on the Skin, Liver Disease, Fevers, Ulcers, Old Sores, Affection of the Kidneys, Diseases of the Throat, Female Complaints, Pains and Aching of the Bones and Joints, are speedily put to flight by using this inestimable remedy.

For all diseases of the Blood, nothing has yet been found to compare with it. It cleanses the system of all impurities, acts gently and efficiently on the Liver and Kidneys, strengthens the Digestion, gives tone to the stomach, makes the Skin clear and healthy, and restores the Constitution, enfeebled by disease or broken down by the excesses of youth, to its pristine vigor and strength.

For the DISEASES OF FEMALES it is peculiarly applicable, and where it has been known it is regularly prescribed with the happiest effects. It invigorates the weak and debilitated and imparts elasticity to the worn out frame, clears the skin, and leaves the patient fresh and healthy. A single bottle of this inestimable remedy is worth all the so called Sarsaparillas in existence.

The large number of certificates which we have received from persons from all parts of the United States, is the best evidence that there is no humbug about it. The Press, hotel keepers, magistrates, physicians, and public men, well known to the community, all add their testimony to the wonderful effects of this GREAT BLOOD PURIFIER.

Call on the Agent and get an Almanac and read the details of astonishing cures performed by CARTER'S SPANISH MIXTURE (IN MOST CASES WHERE EVERY THING ELSE HAD FAILED). The limits of an advertisement will not admit their full insertion.

TO LUMBER MANUFACTURERS AND DEALERS.

VALUABLE Property at private sale, situated on the Straits opposite Mackinaw, and on the Sheboygan River, containing about 18,000 acres of land, a large portion of which is heavily timbered with best quality of pine. The improvements on this property are, 1st—the village of DUNCAN, on the main land South Channel or pass, is a large steam Mill, of modern construction with Siding Machine, Shingle and Lath Machines, and capable of manufacturing fifty thousand feet of lumber in 24 hours, also, Hotel, Land Office, Store and sundry dwelling houses and Smith shop. The Sheboygan Steam Mill, on and near the mouth of Sheboygan River. The Sheboygan Water Mill one mile from the mouth, with dwelling houses, barns &c. At Duncan a Pier is erected, extending out to a sufficient depth of water to accommodate any vessel navigating the Lakes. This is admitted by navigators, by reason of the bay and Pier, to be the best Lake Harbor between Detroit and Chicago—it is a desirable Wooding and Coaling Point, being on the direct route for Propellers and sailing vessels. The property is desirable as a point at which a town must soon grow up, as the country back of it is fast filling up, for many miles, with settlers.

The Sheboygan Water Mill has the entire power of Sheboygan River, a never failing stream of great volume, which never freezes, the dam being at the falls of the river, is easily kept in repair. This is the most valuable water privilege in the State of Michigan, north of Grand Rapids.

To a company or individuals, desirous of entering into the lumber trade, this property offers rare inducements, with a certainty of greatly increased value in a very few years, and will be sold much below original cost, or present value, to close a concern.

For terms, which will be accommodating, apply to

BAYLIES & LINCOLN'S
Milwaukee
Commercial College
212 and 214 East Water St.,
MILWAUKEE, - - WISCONSIN.

THE proprietors of the Milwaukee Commercial College would respectfully announce that the liberal patronage that has been extended to this deservedly popular enterprise has led them to extend the field of study, so that it will embrace every branch of a thorough Commercial Education. As there are no classes formed in any department of study—thereby enabling the student to enter any time, each one receiving separate instructions—the student, on entering, is placed in the Counting Room with actual transactions to work from, thus making his education not merely theoretical, but practical to the last degree. The Commercial Course comprises Book Keeping by Double Entry, in its various forms, as adapted to Wholesale, Retail Commission, Manufacturing, Custom House, Banking, Railroading, Joint stock partnership, and compound Company business, Commercial Calculations in percentage, Exchange, Bank and Regular Discounts, Averaging, Accounts by Simple and Compound Equations, &c., according to the most approved methods. Commercial Correspondence, including account sales, account currents, drafts, bills of exchange, &c., &c.

Also, a perfect system of detecting Counterfeit Bank Notes, will be given to each student

A good Hand Writing guaranteed to every person completing a full course

During the Seasons, Lectures on Commercial Law will be delivered by eminent legal and business men, and no pains will be spared to make this department particularly attractive.

The Reading Room will be supplied with the various Daily and other papers and publications

Particular attention will be given to Ladies who may wish to acquire a business education, and separate rooms have been beautifully fitted up for their use

Merchants and other business men are informed that, at any time, by a few days' notice, they can be supplied with competent Accountants, and young men will be assisted in procuring situations when desired.
